

## IEA Communication / Coordination in the Netherlands

Rebecca van Leeuwen-Jones, SenterNovem, the Netherlands

*24th November 2009, Vienna, Austria*

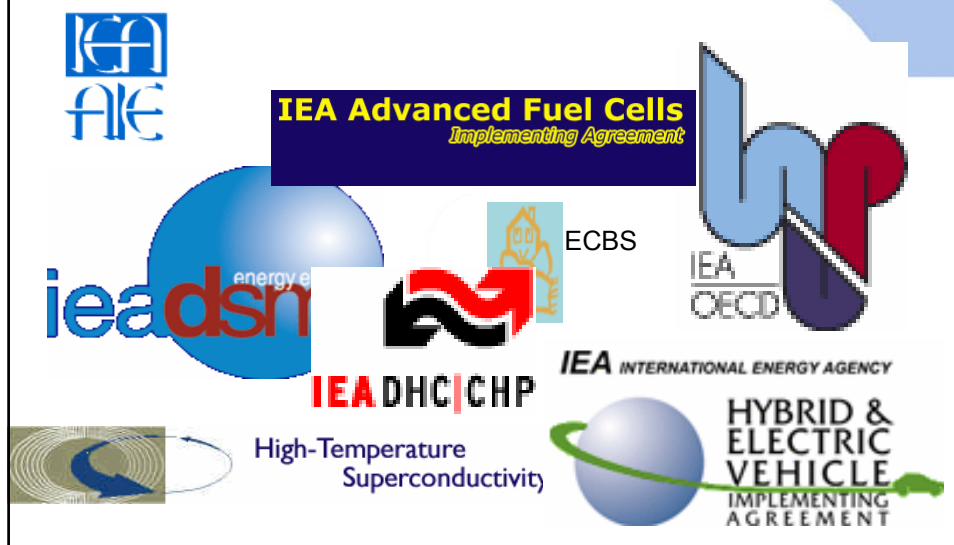

### **Content**

- Goals of Dutch participation in Implementing Agreements;
- IEA Communication Strategy for the Netherlands;
- IEA Netherlands Portal.

### 1. Goals of Dutch Participation in Implementing Agreements:

- to stimulate the sustainable use of energy;
- carry out joint international research;
- initiate and expand networks;
- gain and disseminate knowledge.

### Dutch Participation in IEA IAs

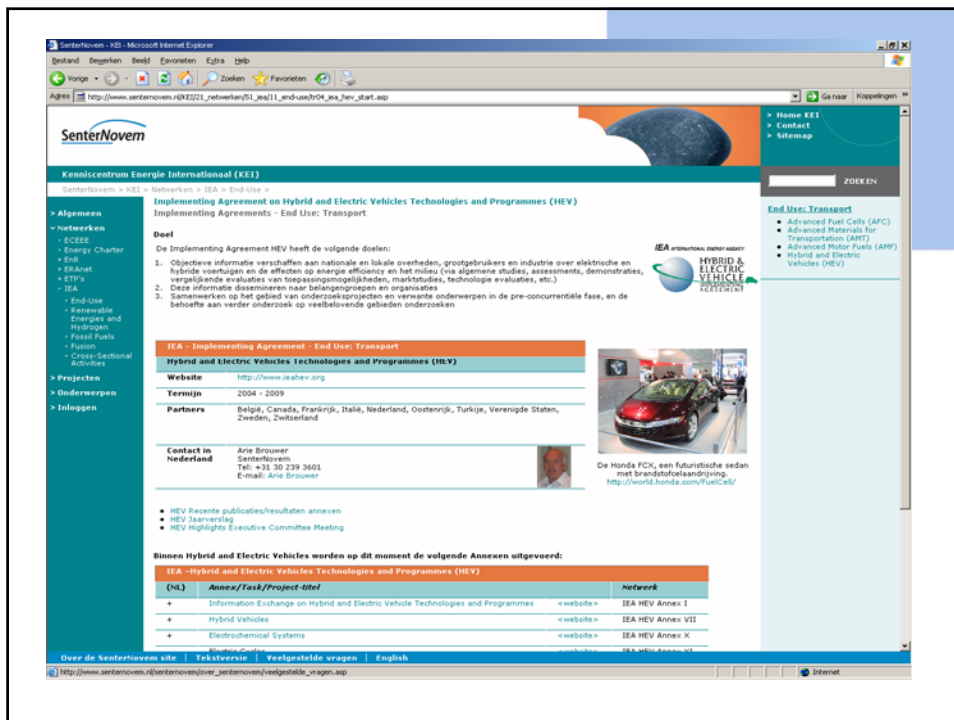

## 2. IEA Communication Strategy for the Netherlands

- Streamline communication on IEA activities in NL;
- Increase visibility of IAs by disseminating results;
- Disseminate knowledge to a wider audience.
